Declaration

I understand and agree with the following statements:

1. I will complete my teacher education program, qualify for the award of my teacher education program and meet the NSW Education Standards Authority's (NESA) and the NSW Department of Education's academic requirements for employment as a teacher in the subject area for which I am applying for a scholarship, by the end of Semester 2, 2020.
2. I agree not to delete any of my current location preferences selected as part of my Graduate Recruitment Program application after I submit this application.
3. I understand that an offer of a Graduate Teacher Scholarship is conditional on me fulfilling all recruitment requirements by the end of Semester 2, 2020 (including a Working with Children Check, successful personal suitability interview/assessments, an assessment of English language proficiency [if applicable], and provision of all required supporting documents).
4. I understand that if I am offered a Graduate Teacher Scholarship I will need to enter into a Scholarship Agreement with the NSW Department of Education to work for three consecutive years as a full-time teacher in a NSW public school in the subject area for which I have been awarded a scholarship.
5. I understand that my teaching appointment may be initially above establishment in one of my chosen locations until a suitable substantive vacancy arises. An above establishment teacher is a permanent teacher who has not yet been appointed to a substantive position.
6. I understand that if I fail to fulfill the terms of the Scholarship Agreement I am required to repay the department for any monies paid to me as part of the Graduate Teacher Scholarship.
